

Sedgefield Together – Revised Town Plan

Sedgefield Together is a Partnership open to all local groups/organisations and statutory bodies. One of the aims is to establish a community strategy and produce a revised Town Plan. The Inaugural meeting was held in March and this identified a number of issues which are listed below. We would appreciate greatly your feedback on which you feel is the most important priority within each section. If you have an alternative priority then please write that down.

Completed forms should be handed into the Council Offices – if you would like an additional questionnaire for members of your family – these are also available from the Council Offices – or can be downloaded from www.sedgefield.net

Thank you,
Lesley Swinbank (Town Clerk)
On behalf of the Sedgefield Together Steering Group
